

## **Bowling Rules**

Updated – 3/16/12

1. We are here to have fun! Don't take life too seriously, it moves pretty quickly.
2. All players on the finals night must be on the original roster. If you need a sub during the regular season you must inform Kings Staff which player is missing and who is subbing.
3. You may have up to 8 bowlers each week. At least 2 must be female and 2 must be male. The top 6 scores are taken as your team score. Each week will consist of two games - the team with the highest combined score for both strings will be deemed the winner.
4. Leagues last for 5 weeks and playoffs are on the 6th week. The final week ALL teams will participate however only the top four bowl for the championship.
5. If any league night is cancelled then the season will just be pushed back a week. For example, if week 3 gets cancelled then week 3 schedule will simply be played on the next league night.
6. The four championship teams will be determined based on the number of "Wins" from the 5 previous weeks. In the event of two teams having the same Win/Loss record, head to head match-up is next, then the total combined pin count of all previous week will determine the championship teams.
7. Any team missing players will have the lowest scores of your team doubled. Minimum of 4 players per week to qualify. Less than 4 will forfeit.
8. Kings must supply all food and alcohol. Kings reserves the right to close a liquor tab at any time deemed necessary. Kings staff may also refuse service to any individual at any time. Kings staff also reserves the right to deny entry or eject bowlers for rude or inappropriate behavior. Any denials or ejections will not be reimbursed under any circumstances.
9. Kings is a 21+ facility after 6pm every day. Guests WILL NOT be allowed to enter without proper identification. A valid MA driver's license, a passport or military ID will be the ONLY ID's accepted. Kings may ask for back up ID from any guest at any time.
10. A risk of bodily injury is associated with this game. Never cross the black foul line. At no time are patrons permitted on the bowling lanes. Anyone needing assistance should contact Kings personnel. Correct footwear should be used at all times and soles should be kept clean and dry. Always keep hands out of the ball return. Report any mechanical problems, spills or other concerns to Kings personnel immediately.
